100% Organic Egyptian Cotton Baby Jacket
جاكت أطفال 100% قطن مصري عضوي

Meferiari
BABU
100% Natural Handmade Baby Care Products

These garments are made from super absorbent high quality organically grown Egyptian cotton. The cotton is also unbleached which makes it way softer as the fabric retains much of the natural cotton seed and fiber oils. It is the safest fabric ever to be in daily contact with your baby skin.

- Organic Grown Cotton, GOTS Certified.
- Grown in Egypt, Organically cultivated and hand picked
- Produced environmentally friendly
- Compliant with Fair Trade global standards

Proudly Made in Egypt

General Information

Customization Procedure

Upon submitting your order request, a quotation will be issued for your approval. After the design inputs are collected, a sample or prototype will be developed for your approval.

Delivery period is set once the prototype is approved and according to the production plan.

Materials, Colours & Accessories

All items are subject to availability upon order placement.

Proofing Options

We provide samples at an additional cost prior production for approval, samples include colour paper proof, black and white paper proof, and pre-production mock-ups.

Tooling

Tooling (screens, pads, dies, plates, and templates) remains a property of The Khodeir Company. All tooling will be held in safe keeping at Khodeir for 36 months post manufacturing order. However, if a new manufacturing order is not received within the 36-month period, the tooling will be discarded due to inactivity. New tooling charges apply if a tool has been discarded due to inactivity.

Logos and Trademarks

All customized products with corporate logos or registered trademarks are shown only to illustrate Khodeir's logo reproduction capabilities. Merchandise bearing logos can be purchased only by the organisation to which the logo or trademark belongs and only through authorised Khodeir distributors.

Cancellations/Changes to orders

Purchase orders which are cancelled or decreased in quantity while in production will be assigned a service charge.
